

June 11, 1929.

Mr. Louie Galloway, Secy.,  
Dry Gulch Irr. Co.,  
Roosevelt, Utah.

Dear Sir:

RE: MONTEZ CREEK DIST.

Yesterday President Smith of the Dry Gulch Irr. Co. called at the office with reference to certain matters and left a memo in answer to my inquiry of June 4 with reference to Montez Creek. I told Mr. Smith that it would be necessary, in order to comply with legal formalities, for me to consult water users and on going over this memo I find that it is of little value as it gives names but no addresses. I assume that you have a copy of this memo in your file and in order to hasten matters I would appreciate your giving me the addresses as well as the names of the various water users.

Yours very truly,

State Engineer.
